Newton Flotman School Cycle Contract

Cycle Contract

A cycle contract is an agreement drawn up between pupils, parents and schools to make clear conditions and liability for pupils cycling to school. It also gives permission for pupils to use the school cycle shelter.

It encourages safe, responsible and courteous cycling. Guidelines on cycling behaviour are combined with a consent form which both the pupil and a parent or carer should sign.

Cycling to school - Important Notice to Parents

Newton Flotman School wishes to encourage as many children as possible to cycle, scoot or walk to school. However, you must decide about whether it is safe enough for your child to travel independently to school, and make sure your child knows how to be safe. We will help.

Newton Flotman School supports pupils who wish to walk, cycle or scoot to school since it improves their health and fitness, reduces traffic outside the school making conditions safer for everyone and benefits their general development. If you wish your son/daughter to cycle to school, would you please complete the form attached.

Parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Pupils must wear a correctly fitted helmet and use appropriate reflective clothing and bike lights when visibility is poor.
