End of term message from the Governors

The Governors would like to thank Mr. Johns and all the staff for their hard work once again this term. Another academic year starts with exciting learning opportunities, like 'Science Week' and lots of PE/events and competitions. The term has culminated in two brilliant Christmas productions, 'A Miracle in Town!' and 'Dick Whittington and his Cat', which we are sure parents and the whole community enjoyed last week. Well done to everyone involved!

A very happy Christmas and a peaceful New Year to you all from all the governors.
