This will be the 4th year we have had an Athletics Day. There is a set of activities, children work their way around the activities and record their score, number of jumps or time for the activities and each year try to better their own score, distance etc.

The children really enjoy seeing the progress they have made and having a general good time.

and Class R/1 and 1/2 in the afternoon.

coming even if you

OUR NORFOLK WEEK - Monday 6th - Friday 10th June

After half term we are dedicating our special interest week to a project called 'Our Norfolk' run by Norwich and Norfolk Festival Bridge and English Heritage. In Newton Flotman we will be looking at some of the history of the village. Our Monday collective worship will take place in the church and we expect our learning to then move on to finding out about a local historical figure, Thomas Blundeville. During the week we will be visited by an artist and also a story teller, who will help us to present what we learn. Please come along to the church on Monday at 9am if you are interested.
