Monday 3rd October
9.15 - 10.00am

**HEADTEACHER COFFEE & CHAT
AFTERNOON**
Tuesday 4th October
3.00 - 3.30pm

The workshops are very informal and are a great opportunity for parents to see how reading is approached in your child's class. Reading is a key skill for everyone. At home this might mean listening to children read, taking an interest in their choices and helping them to 'decode' words using phonics and context. Our workshops will give you ideas about how you can help give your child the best start in life through reading.
