PARENT WORKSHOPS - Summer 2017 Workshops

In addition to our early-drop-in workshops this term, we are running our normal class parent workshops. The class workshops will be focusing on how best to support your child with writing. We look forward to seeing parents / carers / grandparents at as many as you are able to attend.

All workshops will be held in classes start at 9.15am.

Please sign up for workshops by completing the reply slip and returning it to the office as soon as possible. If you are not sure if you are able to attend please just arrive.
