PARENT WORKSHOPS - Summer 2017 Workshops

This summer term we are doing Parent workshops a little differently and more frequently. We are offering a range of workshops for different year groups with different focuses. The aim of the workshops is to give parents an overview of how key skills are taught in school and to provide ideas for how to help your child/ren to develop their skills. We look forward to seeing parents / carers / grandparents at as many as you are able to attend.

All workshops will be held in the hall from 8:40 - 9.00am. Information sheets will be available if you are not able to attend.

Please sign up for workshops by completing the reply slip and returning it to the office as soon as possible. If you are not sure if you are able to attend please just arrive.
